Wesley Music Scholarships 2016

Applications are now open for Music Scholarships for 2016. These will be awarded by the Wesley Music Foundation in association with Wesley Uniting Church. Scholarships have been awarded each year since 1994.

Music Scholars are outstanding voice and instrumental students at both tertiary and senior secondary level who demonstrate that they can benefit from opportunities to practise, perform and make recordings as a soloist or in ensemble in the unique spaces and facilities of the Wesley Music Centre and Wesley Uniting Church, National Circuit, Forrest.

Wesley Music Scholars play an important role in the active musical life of the church, gain valuable performance opportunities and also receive financial assistance towards fees, travel and other relevant expenses. The nature and value of scholarships is determined in light of the background and potential of successful applicants.

All scholarships are awarded on a competitive basis.

Further information and an application form may be downloaded from www.wesleycanberra.org.au/images/download/2016ScholarsApplication.doc.
