Duties see Drop box web page however includes:

1. Before the rostered day check that coffee, milk, tea, margarine or butter are available. (This could be easily done the week before).
2. Bring something to eat, simple is quite good.
3. Clean up including vacuuming. (Vermin are around).
4. Make swaps if needed.
5. If there are problems let me know however swaps are best done directly. It is difficult through third parties
6. One to take used tea towels for washing.
7. There is now a kitchen tidy and this should be used rather than a garbage bin. Those on the first Tuesday of the month should remove the liner bag. There is a roll of replacement bags available.

Many thanks for your involvement.
