

# Behavioural Covenant<sup>for</sup> Wesley

Because we value the ongoing health and vitality of our church community; and

We desire to be a community that is internally strong and cohesive so that we can support and enable each other to reach out to others

## **I will**

- Listen to and value others, treating others as equals regardless of background or status
- Be open to hear different views and be prepared to move my position in the light of new information
- Be accountable for my conduct, and where necessary, if I have a part to play, do my best to resolve conflict early.
- Act honestly, openly and fairly, and ensure that everyone feels safe within our community
- Treat others with respect, including agree to disagree where necessary, and recognizing that a difference of opinion does not imply lack of respect.
- Support and encourage others, and show appreciation for their contributions.
